

Association of Women in the Metal Industries

CALIFORNIA CHAPTER

PLANT TOUR NORTHERN CALIFORNIA - SEPTEMBER 20, 2023

The AWMI California Chapter is excited to offer our members and supporters a tour of
CBC STEEL BUILDINGS

CBC Steel Buildings is one of the largest metal building manufacturers in the Western United States. Known for their industry leading quality and service, CBC can meet the requirements of virtually any project no matter the complexity.

Their buildings are designed for a wide range of applications whether it is commercial, industrial, agricultural, manufacturing, educational, hangars, institutional, or recreational.

We invite you to join us on September 20th, 2023, for this informative and educational experience.
