Association of Women in the Metal Industries

32d Annual AWMI – California Chapter Golf Tournament Donation Fundraiser September 29, 2025

The Association of Women in the Metal Industries (AWMI) will be holding our 32nd Annual Golf Tournament Fundraiser at Coyote Hills Golf Course on Thursday, May 8, 2025. Those that attend our golf tournament represent all facets of the metal industries. This event is our primary fundraising event which allows us to continue providing programs, events, and scholarships that serve the entire metal community.

Our Golf Fundraiser cannot be a success without the special people and companies who graciously donate items to be raffled off to raise funds for our organization or items to include in goodie bags for each golfer. For this reason, we are asking for your support in the form of a donation.

AWMI is an international “not for profit organization” (Tax ID # 95-4608195) dedicated to educating women in the industry through meetings, mill tours, and scholarships for continuing education. Our four cornerstones are to Educate, Mentor, Network, and Grow (for more information about our organization please visit our website www.awmi.org).

With your help, we can continue to provide these vital programs and services to our members and potential members. All donated items are greatly appreciated.

Thank you in advance for your support.

Sincerely,

Amanda Mendez
AWMI California Chapter
